4. Gain and maintain commitment
5. Take action
6. Monitor and control achievement
7. Stay focused
- 8.

The 8th Habit

"The average person working 8 hours a day for 40 years spends about 70,000 hours at work. That is too long a period not to be having fun."

Richard Morreale

Set stretching goals and work
to achieve them but always
remember, **Enjoy the Journey!**

Richard Morreale

Enjoy the journey!
