Hello, I took over the Education Liaison Officer role for the Northamptonshire Branch of the British Computer Society in 2008.

I have predominantly worked in Higher Education for my career and have been based at the University of Northampton www.northampton.ac.uk since 1987!

I am currently the Head of Computing within the School of Applied Sciences at the University (<http://www2.northampton.ac.uk/appliedsciences/appliedscience/computing>) and we specialise in Undergraduate and Post Graduate technical computing:

- Computing
- Graphics & Visualisation
- Internet Technology & Security
- Mobile Computing
- Computer Networks Engineering
- Computer Systems Engineering
- Software Engineering

My areas of interest/expertise relate to programming, with java being my preferred language, with a particular passion for:

- 2D/3D Graphics
- Graphics & Visualisation
- 3D Computer Modelling

Please feel free to contact me if you have any ideas or require any help with Education related issues. If you require advice for Business Computing, fellow colleague and BCS member Susan.Bailey@northampton.ac.uk is the best contact.

Regards
